**Form Participation Agreement for Publication of Legal Notices on County Designated
Publicly Accessible Website**

This Form Participation Agreement ("Participation Agreement") is made and entered into by and between Polk County, a political subdivision of the State of Florida ("County"), and _____, a local government existing under the laws of the State of Florida ("Local Government") (each a "Party," and collectively the "Parties").

RECITALS

- A. During the 2022 legislative session, the Florida Legislature enacted House Bill 7049, which created Section 50.0311, Florida Statutes.
- B. Effective January 1, 2023, Section 50.0311, Florida Statutes, authorizes a local governmental agency to publish legal notices under specified conditions on a publicly accessible website, owned or designated by the applicable county, instead of in a print newspaper.
- C. Local Government represents that it is a governmental agency as defined in Section 50.0311, Florida Statutes. Local Government desires to utilize County's designated publicly accessible website for certain required notices and advertisements.
- D. Pursuant to Section 50.0311, Florida Statutes, County designated the website operated by D-R Media ("Website") as County's publicly accessible website for publication of notices and advertisements ("Publications").

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Recitals. The truth and accuracy of each clause set forth above is acknowledged by the Parties.
2. Designation of Website. County has entered into an agreement with Website ("Website Contract") for Publications. County may at any time, upon at least ninety (90) days prior to written notice to Local Government in accordance with the Notices section of this

Participation Agreement, designate a different entity as County's publicly accessible website pursuant to Section 50.0311, Florida Statutes. Parties shall consider any such new designation as automatically effective upon the date stated in County's notice without the need for an amendment to this Participation Agreement, and upon the effective date the new website shall be the "Website" for purposes of this Participation Agreement.

3. Utilization of Website. Local Government may utilize the Website for its Publications if and to the extent it elects to do so. Nothing in this Participation Agreement obligates Local Government to utilize the Website for any Publication. However, any utilization of Website by Local Government for Publications pursuant to Section 50.0311, Florida Statutes, shall be obtained exclusively through the Website Contract and not through any other contract or procurement method. Local Government agrees that no other website is County's designated publicly accessible website, and Local Government agrees it may not take any action to challenge or otherwise attempt to disqualify the designation of Website (or any substitute website pursuant to Section 2 above) as the properly designated website of County pursuant to Section 50.0311, Florida Statutes.

4. Term. The term of this Participation Agreement shall commence upon the date it is fully executed by the Parties ("Effective Date") and shall continue until terminated by either Party as otherwise provided herein.

5. Compliance with Notice Requirements. For the duration of this Participation Agreement, Local Government shall comply with all applicable requirements, obligations, duties, and procedures set forth in Chapter 50, Florida Statutes ("Notice Requirements"), as may be amended from time to time, relating to any Publications published on the Website. County shall have no responsibility for ensuring that Local Government, the Website, or the Publications comply with the Notice Requirements or any other applicable law, rule, or regulation.

6. County Actions are Ministerial. Local Government acknowledges that any and all Publications of Local Government are prepared by Local Government and not by County. Local Government shall construe any and all actions of County in conjunction with, or

relating to, the designation of the Website for use by Local Government as, purely ministerial acts.

7. Costs and Payment. Local Government shall be solely responsible for the timely payment of all fees and costs associated with its Publications and use of the Website. Local Government shall utilize the Website Contract to obtain from Website any applicable services Local Government requires relating to Publications and shall pay Website directly for all such services provided in connection with Publications. Additionally, Local Government shall be solely responsible for payment of any and all mailing costs or other costs associated with the Publications or otherwise incurred relating to the Publications pursuant to Chapter 50, Florida Statutes, including without limitation Section 50.0311(6), Florida Statutes. County shall not be responsible for any fees or costs associated with: (a) use of the Website by Local Government; (b) any Publication; or (c) compliance with Chapter 50, Florida Statutes. Local Government recognizes and agrees that if Local Government fails to timely pay Website, then Website may terminate Local Government's access to the Website, and County shall have no liability to Local Government for such termination or lack of access, or any subsequent costs which Local Government might incur due to such termination or lack of access. Likewise, Local Government acknowledges that County has no control over payment processing services.

8. Sovereign Immunity. Except to the extent sovereign immunity may be deemed waived by entering into this Participation Agreement, nothing herein is intended to serve as a waiver of sovereign immunity by either Party nor shall anything included herein be construed as consent by either Party to be sued by a third party in any matter arising out of this Participation Agreement.

9. Indemnification. Local Government shall indemnify and hold harmless County and all of County's current, past, and future officers, agents, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Participation Agreement, and caused

or alleged to be caused, in whole or in part, by any breach of this Participation Agreement by Local Government, or any intentional, reckless, or negligent act or omission of Local Government, its officers, employees, or agents, arising from, relating to, or in connection with this Participation Agreement or any Publication. The obligations of this section shall survive the expiration or earlier termination of this Participation Agreement.

10. Termination.

10.1. Termination without cause. Either Party may terminate this Participation Agreement without cause upon at least ninety (90) days' prior written notice to the other Party.

10.2. Termination with cause. If the Party in breach has not corrected the breach within thirty (30) days after receipt of written notice from the aggrieved Party identifying the breach, then the aggrieved Party may terminate this Participation Agreement for cause.

10.3. Automatic Termination. If the publication of electronic notices is determined to be illegal by a court of competent jurisdiction, or if the Florida Legislature modifies Florida law to prohibit utilization of County's designated publicly accessible website for Publications, then this Participation Agreement will be deemed automatically terminated upon such finding becoming final or such law becoming effective, as applicable.

11. Notices. In order for a notice to a Party to be effective under this Participation Agreement, notice must be sent via U.S. first-class mail, with a contemporaneous copy sent via e-mail, to the addresses listed below and shall be effective upon mailing. The addresses for notice shall remain as set forth herein unless and until changed by providing notice of such change in accordance with the provisions of this section.

Therefore, the Parties acknowledge that there are no third-party beneficiaries to this Participation Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Participation Agreement.

16. Law. Jurisdiction. Venue. Waiver of Jury Trial. This Participation Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. The exclusive venue for any lawsuit arising from, related to, or in connection with this Participation Agreement shall be in the state courts of the Tenth Judicial Circuit in and for Polk County, Florida. If any claim arising from, related to, or in connection with this Participation Agreement must be litigated in federal court, then the exclusive venue for any such lawsuit shall be in the United States District Court, or the United States Bankruptcy Court, for the Middle District of Florida. 18. Representation of Authority. Each individual executing this Participation Agreement on behalf of a Party represents and warrants that they are, on the date they sign this Participation Agreement, duly authorized by all necessary and appropriate action to execute this Participation Agreement on behalf of such Party and that they do so with full legal authority.

19. Counterparts and Multiple Originals. This Participation Agreement may be executed in multiple originals, and may be executed in counterparts, whether signed

physically or electronically, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same Participation Agreement.

20. Materiality and Waiver or Breach. Each requirement, duty, and obligation set forth herein was bargained for at arm's-length. Each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Participation Agreement, and each is, therefore, a material term. Any Party's failure to enforce any provision of this Participation Agreement shall not be deemed a waiver of such provision or modification of this Participation Agreement. A waiver of any breach of a provision of this Participation Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Participation Agreement. For a waiver to be effective, any waiver must be in writing signed by an authorized signatory of the Party granting the waiver.

Board of Supervisors
Weiberg Road Community Development District
219 East Livingston Street
Orlando, FL 32801

We are pleased to confirm our understanding of the services we are to provide Weiberg Road Community Development District, Town of Dundee, Florida ("the District") for the fiscal year ended September 30, 2024. We will audit the financial statements of the governmental activities and each major fund, including the related notes to the financial statements, which collectively comprise the basic financial statements of Weiberg Road Community Development District as of and for the fiscal year ended September 30, 2024. In addition, we will examine the District's compliance with the requirements of Section 218.415 Florida Statutes. This letter serves to renew our agreement and establish the terms and fee for the 2024 audit.

Accounting principles generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the District's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis
- 2) Budgetary comparison schedule

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that information:

- 1) Compliance with FL Statute 218.39 (3) (c)

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of the District and other procedures we consider necessary to enable us to express such opinions. We will issue a written report upon completion of our audit of the District's financial statements. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add emphasis-of-matter or other-matter paragraphs. If our opinion on the financial statements is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or issue a report, or may withdraw from this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the District is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Examination Objective

The objective of our examination is the expression of an opinion as to whether the District is in compliance with Florida Statute 218.415 in accordance with Rule 10.556(10) of the Auditor General of the State of Florida. Our examination will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and will include tests of your records and other procedures we consider necessary to enable us to express such an opinion. We will issue a written report upon completion of our examination of the District's compliance. The report will include a statement that the report is intended solely for the information and use of management, those charged with governance, and the Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add emphasis-of-matter or other-matter paragraphs. If our opinion on the District's compliance is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the examination or are unable to form or have not formed an opinion, we may decline to express an opinion or issue a report, or may withdraw from this engagement.

Other Services

We will assist in preparing the financial statements and related notes of the District in conformity with U.S. generally accepted accounting principles based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for compliance with Florida Statute 218.415 and will provide us with the information required for the examination. The accuracy and completeness of such information is also management's responsibility. You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. In addition, you will be required to make certain representations regarding compliance with Florida Statute 218.415 in the management representation letter. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Management is responsible for designing, implementing and maintaining effective internal controls, including evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with U.S. generally accepted accounting principles, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that we report.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash or other confirmations we request and will locate any documents selected by us for testing.

The audit documentation for this engagement is the property of Grau & Associates and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a cognizant or oversight agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Grau & Associates personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies. Notwithstanding the foregoing, the parties acknowledge that various documents reviewed or produced during the conduct of the audit may be public records under Florida law. The District agrees to notify Grau & Associates of any public record request it receives that involves audit documentation.

Furthermore, Grau & Associates agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to Section 119.0701, Florida Statutes. Auditor acknowledges that the designated public records custodian for the District is the District Manager ("Public Records Custodian"). Among other requirements and to the extent applicable by law, Grau & Associates shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the contract term and following the contract term if Auditor does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of the contract, transfer to the District, at no cost, all public records in Grau & Associate's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Grau & Associates, Grau & Associates shall destroy any duplicate public records that are exempt or

IF GRAU & ASSOCIATES HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE PUBLIC RECORDS CUSTODIAN AT: C/O GOVERNMENTAL MANAGEMENT SERVICES – CENTRAL FLORIDA LLC, 219 EAST LIVINGSTON STREET ORLANDO, FLORIDA 32801, OR RECORDREQUEST@GMSCFL.COM, PH: (407) 841-5524.

Our fee for these services will not exceed \$3,700 for the September 30, 2024 audit, unless there is a change in activity by the District which results in additional audit work or if Bonds are issued. This agreement is automatically renewed each year thereafter subject to the mutual agreement by both parties to all terms and fees. The fee for each annual renewal will be agreed upon separately.

We will complete the audit within prescribed statutory deadlines, which requires the District to submit its annual audit to the Auditor General no later than nine (9) months after the end of the audited fiscal year, with the understanding that your employees will provide information needed to perform the audit on a timely basis.

All accounting records (including, but not limited to, trial balances, general ledger detail, vendor files, bank and trust statements, minutes, and confirmations) for the fiscal year ended September 30, 2024 must be provided to us no later than March 1, 2025, in order for us to complete the engagement by June 1, 2025.

Subject to timely receipt of the necessary information, we will submit a preliminary draft audit report by May 15, 2025 for the District's review, and a final draft audit report by June 1, 2025 for the District's review and approval.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. Invoices will be submitted in sufficient detail to demonstrate compliance with the terms of this agreement. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate.

The District has the option to terminate this agreement with or without cause by providing thirty (30) days written notice of termination to Grau & Associates. Upon any termination of this agreement, Grau & Associates shall be entitled to payment of all work and/or services rendered up until the effective termination of this agreement, subject to whatever claims or off-sets the District may have against Grau & Associates.

We will provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2022 peer review report accompanies this letter.

We appreciate the opportunity to be of service to Weiberg Road Community Development District and believe this letter accurately summarizes the terms of our engagement and, with any addendum, if applicable, is the complete and exclusive statement of the agreement between Grau & Associates and the District with respect to the terms of the engagement between the parties. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

Grau & Associates

Antonio J. Grau
